LEGACY WALL  
RECOGNITION**

Have your name, your family's name, or your company's name displayed on the Community Legacy Wall. This meaningful way to honor donor gifts will be recognized and appreciated. Gifts can be made anonymously and in memory of a loved one and will be recognized as desired.

**SUPPORT OUR VISION**

Community wellness is at the heart of the vision behind the **Greenheck Turner Community Center (GTCC)** and all members of the community are needed to make this a reality. Our capital campaign will enable us to build a state-of-the-art facility that will play a significant role in providing our community with a wide array of health and wellness opportunities for years to come while enhancing the quality of life in this area. In this facility, our community will be able to host games, leagues, tournaments, camps, community events and more.

The purpose of the GTCC is to serve the needs of our community, therefore any person or organization may rent a portion of the facility for acceptable use – no matter where they reside. This year-round facility will be located on the campus of the D.C. Everest Senior High School, and will be open to all members of our community to support their health and wellness.
